

Corporate Fact Sheet

Who is Touchstone?

Touchstone Consulting Group, Inc., a wholly owned subsidiary of SRA International, Inc., is a strategy management consulting firm located in downtown Washington DC. Our more than 180 consultants collaborate with senior leaders in the government and in public and private organizations around the globe to tackle – and solve – their most complex challenges to date.

We offer services in the following areas:

- Strategic Execution
- Enterprise Architecture
- Digital Strategy
- IT Strategy
- Strategic Communications
- Facilitation
- Governance
- Strategic Transformation

Key Markets

- Homeland Security
- National Security
- Civilian Agencies
- State & Local Government
- Emerging Markets & Technology
- Health/NGO's

Touchstone services address the needs of our customers to ensure that transparent and measurable results are defined and achieved. We customize and develop innovative solutions to tackle some of today's most daunting challenges in interoperability, health, sustainability, national security, identity management and cyber security.

Facts

- We serve clients across the defense, homeland security and intelligence communities, as well as in the civil, state and local sectors
- We serve more than 30 clients with working engagements that span the U.S. government, half a dozen states & Canada
- Touchstone was founded in 1991 under the name Group Decision Support Systems (GDSS), Inc.
- In 2002, the company was renamed Touchstone Consulting Group to better embody its focus on senior leadership strategy support
- In 2005, the firm was purchased by SRA International, Inc.

The Touchstone Difference

When you work with Touchstone, you are left with an unforgettable experience. Our clients regularly report that they feel:

Honored & Respected: Touchstone recognizes the importance of capturing participants' unique perspectives and expertise. We pull in the expertise and ability of everyone in the organization. You have the knowledge; we bring the process management experience that allows you to leverage that knowledge into tangible results

Energized & Engaged: Your team will feel that they really do matter. They will have an active voice in how things get done, and they will feel empowered to carry the organization's vision forward.

Heard & Understood: Deeply listening to members of your organization not only contributes to a more successful process, but your staff and stakeholders will understand that they are valued and able to impact the organization's future.

Important & Unique: There is no one-size-fits-all solution. Touchstone understands that your enterprise is unique, so we will creatively design solutions that are tailored to your organization.

We achieve powerful outcomes.

We are leaders coaching leaders.

Empowered by passion, experience and innovation, we take on today's challenges and meet tomorrow's opportunities.

Recognition

Best Small Firms to Work For

Touchstone was recognized and ranked as one of the "Best Small Firms to Work For" in 2008 by Consulting Magazine. Highlighted in the Sept/Oct. 2008 issue, Touchstone ranked as one of the Top 5 consulting firms in the Strategy industry.

Business Gateway Excellence

Touchstone helped Business Gateway, an e-Government initiative, enable digital communication between businesses and government. The project was recognized with a number of distinguished awards in 2008:

- The Government Information Technology Executive Council (GITEC) 2008 Project Management Excellence Award
- The Excellence.gov Award
- The ACT/IAC 2008 Intergovernmental Solutions Award
- AFFIRM's Leadership in e-Government Award for management of the Business Gateway Initiative
- Chosen as a finalist by the Web Content Managers Advisory Council for the 2008 Web Manager's Best Practice Award
- Only government finalist for the Best Use of Local Search award at the Search Engine Strategies Conference

100 Best Companies to Work For

In recognition of SRA's focus and unwavering commitment to Honesty and Service, the firm was named by FORTUNE magazine as one of the "100 Best Companies to Work For" for 10 consecutive years, including 2009.

Leadership

Our team includes over 180 professionals – recognized business leaders in strategy development, strategic communication, meeting/workshop facilitation, and portfolio and program management.

Tony Summerlin, Vice President and Director of Consulting: Tony Summerlin is the Vice President and Director of Consulting. A seasoned executive with domestic, international and government experience in nearly every area of business, Tony oversees every aspect of Touchstone's consulting services, including staff development and assignments, proposal generation, client expectations, and the management and delivery of services.

Jason Khan, Director and Chief Technology Strategist: Jason Khan is the Director of Business Development and Technology Consulting and leads Touchstone's Emerging Markets and Technology business unit. Jason coordinates Touchstone's business development activities including direct sales, competitive proposals, and services pricing.

Emily Crespin, Director of the National Security Business Unit: Emily Crespin is the Director of the National Security business unit, where she leads a group of consultants in the delivery of strategy development, organizational alignment, decision support, and program management services for clients in the Department of Defense and Intelligence community.

Kirk Swann, Director of the Civilian Agencies Business Unit: Kirk Swann is the Director of the Civilian Agencies Business Unit. In his client work, he is focused on assisting federal agencies in the areas of Electronic Government, performance management and transparency. Kirk's expertise includes strategic planning, information technology policy and portfolio management.
